# THE OPPORTUNITY

## ABOUT THE CONFERENCE

The 25<sup>th</sup> ISABE conference will be held at the Shaw Centre, the heart of Canada's Capital in Ottawa.

It is with pleasure that we present to you the opportunity to reach an international audience of professionals from the air breathing engines sector.

Four standard packages have been created to suite a range of needs and budgets. If one of the standard packages doesn't meet your business requirements, a customised package to better cater to your specific needs can be developed.

Our standard packages are:

**PLATINUM  
SPONSOR**

**GOLD  
SPONSOR**

**SILVER  
SPONSOR**

**BRONZE  
SPONSOR**

In addition to our standard packages, we offer the opportunity to sponsor one or more of our five networking events: the welcome reception, the industry dinner, the board dinner, the young professionals event, and the closing banquet. Full details on the next page.

With all the standard packages, your business name and logo will be associated with the conference and displayed from January 2022 to October 2022 (or from the date your application is processed if this is later than January 2022).

Find out more about the location at:

[www.shaw-centre.com](http://www.shaw-centre.com) and [www.ottawatourism.ca](http://www.ottawatourism.ca)

## ABOUT ISABE

The International Society of Air breathing Engines (ISABE) is an organisation that was formed to further the free exchange, on an international level, of knowledge in the field of air breathing propulsion for flight vehicles.

ISABE has national representatives from more than 25 nations and holds events on six continents. For more than 40 years, ISABE has produced some of the most memorable and important conferences in the field of air breathing propulsion.
